He can read to some extent, and he had to have a little bit of help reading instructions but other than that he loves it0 of 0 people found the following review helpful. ExcellentBy SteveExcellent.

Bats and birds that look like faces. Skulls that pop up on anything white. Three donkeys with three ears between them. And walls that disappear. Relax, theyre only optical illusions. Examine thousand-year-old drawings, find out

about closure, perspective, and the Rubin vase, and how these tools can untangle the tricks found in this volume.
