Just what we needed By Joanne My daughter decided, after performing in The Little Mermaid, Jr. in our local theater, to sing the full Broadway production version of a couple of the songs. This book gave her the sheet music with all the original lyrics she needed to learn. Nice big book, well bound, is now dog-eared but intact. Served its purpose! 0 of 0 people found the following review helpful. but had the Good Times song instead of the one in the

(Vocal Selections). In a magical kingdom beneath the sea, a beautiful young mermaid named Ariel longs to leave her ocean home to live in the world above. But first, she'll have to defy her father the king of the sea to escape the clutches of an evil sea witch and convince a prince that she's the girl with the perfect voice. Based on one of the most beloved Disney films of all time and the classic Hans Christian Andersen fairy tale, *The Little Mermaid* is the sparkling new Disney musical that's poised to make a splash on Broadway. Some of Disney's most popular songs are featured in show including "Part of Your World," "Kiss the Girl," and the Academy Award-winning Best Original Song, "Under the Sea" by the songwriting team of 8-time Academy winner Alan Menken and the renowned Howard Ashman. The stage adaptation also features new songs by Menken and Glenn Slater, plus a book by Tony Award-winning playwright Doug Wright.
