From Alfred Music : The Liturgical Organist, Vol 2: Easy Compositions -- Preludes/Interludes/Postludes for Pipe or Reed Organ with Hammond Registrations before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Liturgical Organist, Vol 2: Easy Compositions -- Preludes/Interludes/Postludes for Pipe or Reed Organ with Hammond Registrations:

This is the 2nd in a 4-book collection of preludes, interludes, and postludes compiled and arranged by Carlo Rossini for performance on pipe, electronic or reed organs, and with Hammond registrations included. No separate pedal notation staff is included, however many examples indicate notes for the pedals. The Liturgical Organist provides the average organist with an orderly collection of liturgical compositions for church use and for possible performance even on the smallest instrument. The compositions include works from the baroque, classical and romantic eras.
