Kaizen Media Group : The Lord of the Rings: The Third Age (Prima Official Game Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Lord of the Rings: The Third Age (Prima Official Game Guide):

0 of 0 people found the following review helpful. Five StarsBy Winnie Ainsworthas expected0 of 0 people found the following review helpful. Proofreader, anyone?By Larry S. MccoyYes, another example of a dreadful Prima Guide. There is this profession called "editor", which publishers usually make use of in order to catch mistakes. It would seem that, for the genre of strategy guides, catching mistakes is a secondary concern to making sure to put out the guide in time to coincide with the release of the game. The lists of equipment, which should be cross-referenced, aren't. So, one never knows what equipment is actually found in the game, let alone where it would hypothetically be found. Just plain sloppy.0 of 0 people found the following review helpful. Must Have!By FaithVery helpful when you get into a sticky spot in the game, and the trading cards are amazing! Must-have for every gamer! :D

Complete weapons and armor appendix includes full stats for hundreds of armaments Full walkthrough to help you earn a 100% completion ranking All character and guest character skills covered Detailed strategies for developing your heroes Complete "Evil Mode" and earn exclusive secret items All monster stats, abilities, vulnerabilities, and immunities covered
