Spike Milligan : The Lost Goon Shows before purchasing it in order to gage whether or not it would be worth my time, and all praised The Lost Goon Shows:

0 of 0 people found the following review helpful. Scripts of hard to find showsBy James FlavinThe Goon Show was the last great Radio show before Television destroyed the medium.About 1/3 of the shows recordings still exist. From the best of my knowledge, and my collection, these ones don't. If you are a Goons fan, buy it. If you are not a Goons Fan, why are you reading this review? Buy some of the recordings available thru .Com, become a fan and then buy this book.A warning - do not read on public transport, as fellow passengers will look at you as if you are a loony when you start laughing out loud.

Recently discovered unbroadcast Goon Shows, since put out on radio and now preserved in book form, together with an unfinished script discovered by Spike Milligan, with Goon drawings, photographs and other bits of hilarious Goonacy.
