This was a present for my niece, who loves Lucy, and she told me she also loved the book. Questions galore, plus extra trivia, and the quiz subjects are all interesting. For Lucille Ball fans, this is nirvana. 0 of 1 people found the following review helpful. NOT WHAT I THOUGHT By Cat2seven I bought this quiz book for my daughter who is 12. questions were way too hard for her. surely this is a book for real Lucille Ball fans. Not just I

Love Lucy fans. For real I Love Lucy fans I would suggest getting the Lucy Race to Fame game.. This game is solely based on the I Love Lucy show (which my daughter LOVES) and it was made by fans, so lots of questions are what we the fans would be able to answer.

In 1953, Desi Arnaz surprised Lucille Ball with a 13th Anniversary Party at this Hollywood club. Name the club. The answer to this question, and hundreds of others, is in this little bottle er, book, the first Lucy quiz book in more than 20 years! So turn on, tune in, and get ready to test your Lucy IQ.

The Trocadero The answer to this question, and hundreds of others, is in this little bottle....er, book! The Lucille Ball Quiz Book is the first Lucy quiz book in more than 20 years, and the only one to concentrate on her entire life and career, not just I Love Lucy. So turn on, tune in, sit back, and get ready to increase your Lucy IQ! From the Author From the Introduction: "As a thank-you to all those who have bought my first two books about Lucy - Lucy A to Z: The Lucille Ball Encyclopedia, and Lucy in Print - I present the third: The Lucille Ball Quiz Book. "Lucy would probably be amazed that so much has been written about her, and that she continues to be a favorite book subject almost 15 years after her death. But her fans, and you know who you are, wouldn't be. You're the ones reading this right now. "There have been other trivia books and quiz books about I Love Lucy, but none centering on the life of Lucille Ball, and none like this one, which features nuggets (or tidbits, as I like to call them) of information about Lucy, her career, and those close to her, in almost every question, and sprinkled throughout the quizzes. "Some of the information will be entirely new to you, as it is gleaned from newly found information (such as the tidbit about Lucy Day at the 1964 World's Fair in Section 1), so don't strain your brain too hard. The answers are only a page or two away." About the Author Classic TV expert Michael Karol's books include Lucy A to Z: The Lucille Ball Encyclopedia, Lucy in Print, and Funny Ladies: Sitcom Queens. He is co-author of the website TVTidbits.com and lives in NYC.
