David Joseph Schwartz : The Magic of Thinking Big before purchasing it in order to gage whether or not it would be worth my time, and all praised The Magic of Thinking Big:

0 of 0 people found the following review helpful. Worth a ReadBy pascalIt has been some years since the first publishing of this book (pretty evident if you've perused other self-help books from the past decade), but the book remains a classic for fairly good reasons. There are a lot of aphorisms and illustrative cases (although most of them come from author's own personal life, depriving them of rigors and authority you can expect from well-known cases) that appeal to common sense. Overall it's a book worthy of (at least) a quick read.0 of 0 people found the following

review helpful. Awesome Book for Anyone Looking to Improve Their Life!By Dr. Georgene Dana CollinsAwesome book! A classic. Many of the current motivational gurus took their information from Dr. Schwartz. A short and must read for anyone looking to improve their life. The prescriptive tasks at the end of each chapter are easy to follow. This book is very inspiring!1 of 1 people found the following review helpful. I appreciate this book. Even though it is a ...By KRI appreciate this book. Even though it is a bit dated, it has served as a reminder of what I needed to remember to remember to do in my businesses.

NEVER BEEN READ, TIGHT PAGES, SOME SHELF AND EDGEWEAR, REALLY GOOD CONDITION AND READY TO SHIP! (BXX-559)
