From Running Press : The Mammoth Book of Bridge (Mammoth Books) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Mammoth Book of Bridge (Mammoth Books):

2 of 3 people found the following review helpful. Excellent Book!By lotsofcromeI bought this book for my mother because she had checked it out of the library and liked it so much she wanted one of her own. She hasn't played Bridge in years but used to play a lot and found it to be very helpful for refreshing her memory and practicing games.0 of 1 people found the following review helpful. Five StarsBy Yangan YangRecommend!

Written by a formidable bridge expert, *The Mammoth Book of Bridge* covers every aspect of playing bridge and analyzes hundreds of test hands with full illustrations. Even players with little experience will find tips and strategies to progress to club level and better. Mark Horton, a Bridge International and teacher, is a surefooted guide to the intricacies and the pleasures of this most intriguing of pastimes. *The Mammoth Book of Bridge* includes: *All the bidding systems and conventions on how to play them. *Advanced techniques and tips to help you play better bridge. *Information and advice on club and tournament bridge. *Computer bridge, including all the software programs now available. *Bridge on the Internet. *A history of the World Bridge Championships. *A selection of the greatest games ever played. *Details of the greatest bridge players of all time. *Glossary of all the main bridge terms. *Hundreds of illustrated bridge hands. *Complete guide to how to play bridge whatever your level of experience. Comprehensive, up-to-date, and easy to follow, this complete handbook brings players the best of bridge at a Mammoth value.
