Nathan Haselbauer : The Mammoth Book of Sudoku (Mammoth Books) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Mammoth Book of Sudoku (Mammoth Books):

Featuring 400 Sudoku puzzles, this book contains challenges, levels of difficulty, and varieties of number-placement (and letter-placement) puzzles. It also contains step-by-step instructions, tips and killer strategies from the founder of

the International High IQ Society and confirmed Sudoku addict, Nathan Haselbauer.

About the Author Nathan Haselbauer (1975-2015) was the founder and President of the International High IQ Society. Among his innovations is the Test for Exceptional Intelligence, one of the most difficult and popular high-ceiling intelligence tests available.
