someone who grew up with a love for America instilled in me, I have found this collection to be most wonderful. It is serious in nature with subtle humor that is blended wonderfully. Anti-communism sentiment is readily apparent and the occasional philosophical statements by the star, Ken Thurston, are welcome breaths of fresh air. Any American with patriotism in their blood will love this collection of 6, 90 minute tapes. 1 of 1 people found the following review helpful. Excellent Sophisticated By A Customer I don't think you have to be extraordinarily "yankee doodle dandy" to enjoy these shows. I am a fan of radio shows and I think this is one of the best dramatic series. I am also a Herbert Marshall fan. The stories are intelligent and plausible. The plots are surprisingly similar to actual events occurring today. Unlike the reviewer before me I did not detect any "McCarthy-ism" in the text.

Eighteen original shows starring Herbert Marshall as globetrotting secret agent Ken Thurston, who, along with his sidekick Pagan Zeldschmidt, solves mysteries for the U.S. government.
