**Richard B. Foster, R.J. Foster : The Math and Science Word Search Book: 2016 Edition | Volume 1** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Math and Science Word Search Book: 2016 Edition | Volume 1:

Richard B. Foster and R.J. Foster have taken their passion for math, science, and puzzles and created 26 different word searches about Math and Science. This is a fun word search book and a great educational resource since there is a blank Notes Page to the left of each puzzle for you to take notes on the these math and science terms. Search words are forward and backward, up and down, and diagonal. These word searches are on thicker, stronger pages than most

puzzle books. Enjoy!
