I love these guys!!By BooshGalBeing a fan of the Boosh I want everything having to do with them. Since there are still DVDs from their tours that I can't order here in the states I made due with this audio CD. As long as I can at least hear them, I've satisfied my addiction to their hilarious comedy. This is a must have for any Boosh fan. "Genius!"1 of 1 people found the following review helpful. The Mighty boosh...So so funny!By samantha lockThis is The Mighty Boosh Boys at their best; Their radio series,(from before they created their cult T.V. show.) Set in the zoo, with Bob Fossil, Naboo and an arctic tundra. Great songs and insanity. I love love love this. I can't stop laughing at the pure stupidity of it all!

Described by the Observer as "Some of the most inventive comedy writing of the decade," and eliciting an exclamation of "Wow!" from Simpsons creator Matt Groening, come with us now on a journey through time and spaceto the world of The Mighty Boosh. . . Here are all six episodes of the BBC Radio 4 series, complete and uncut, from the winners of the Perrier Best Newcomer Award. In Episode 1, a mysterious character called The Phantom is

stealing animals from the zoo. Howard and Vince go on a mission to find the thief and the sinister figure behind the plot. In Episode 2, tired of Bob Fossil's management, Howard and Vince venture into the zoo's Jungle Room in search of former zoo boss Tommy Nookah, (Howard's idol), who disappeared there long ago. Episode 3 sees Vince forming a rock band, but after annoying the guitarist Dave and driving him to quit, he calls on Howard to overcome the Spirit of Jazz and join them. In Episode 4, when keeper Joey Moose is savagely bitten, Howard and Vince investigate and discover Bob Fossil is breeding mutant animals to sell to wealthy Japanese businessmen. Episode 5 finds Bob Fossil sending Vince to Spain and Howard to the Arctic to collect more animals for the zoo. Our heroes end up back together facing the perils of the tundra. In Episode 6, Howard and Vince take Tony the prawn to the Zoo for Animal Offenders. Along the way they meet a mysterious hitchhiker, and end up in the bizarre world of "The People of the Box." About the Author Julian Barratt and Noel Fielding are the founder members of comedy troupe The Mighty Boosh. They became friends after appearing on the same comedy bill at a North London pub. The duo went on to perform three Edinburgh Fringe shows, The Mighty Boosh (1998, winner of a Perrier Award for Best Newcomer), Arctic Boosh (1999), and AutoBoosh (2000). These led to a hit BBC Radio series broadcast on BBC London Live, BBC Radio 4, and later BBC 7 and subsequently a highly successful TV show which ran for three series between 2004 and 2007. After several tours in 2006 and 2008-2009, Barratt and Fielding decided to take a break from the Boosh, but they reunited to play a live show at Festival Supreme in Santa Monica, California in October 2013.
