**W. S. Gilbert, Arthur Sullivan : The Mikado Vocal Score (Revised Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Mikado Vocal Score (Revised Edition):

1 of 1 people found the following review helpful. the mikado vocal scoreBy oliver medinathis score is great and easy to read, but it didnt have any of the dialogue in it. that was upsetting, but it is still a good score.5 of 8 people found the following review helpful. Beware!By Martin GonzalezThe musical qualities of this score do not overly impress in themselves, but the really important thing is ... despite what other reviewers may attest ... and it was on account of those reviews that I bought this score ... IT DOES NOT CONTAIN ONE SINGLE WORD OF DIALOGUE!!! Which makes it, for me, useless, and obliges me to buy a different edition. So, beware ... if you are preparing a ROLE in this wonderful operetta, this is NOT the score for you!
