Jay Moore : The Most Powerful Blackjack Manual before purchasing it in order to gage whether or not it would be worth my time, and all praised The Most Powerful Blackjack Manual:

0 of 0 people found the following review helpful. Good foundation for beginners.By James O'KIt is a good book, but I believe it is more of a foundation for beginners. Anyone with more advanced knowledge should already be aware of what material is included inside this book.0 of 1 people found the following review helpful. Complete book for the

novice player
By Customer
This book goes well beyond the "rules of the game". It provides you with an insight to the complete game strategy and philosophy of a long-time successful player. Would highly recommend it for the novice player and perhaps all blackjack players to understand the game.
0 of 1 people found the following review helpful. It actually works
By Chris Dambra
Holy s***. Tried it out at the local LA casinos with California Blackjack. Made \$400 in about 2 hours. It's clean and easy to work.

Any book can teach the rules and basic plays of blackjack, but only this one offers real insight into the mental game particularly the winning combination of analytical thinking, self-discipline, and cool decision-making that will give you an immediate edge at the table. Using the authors proven "Delayed and Up" method, as well as detailed analysis of more than 20,000 actual casino hands, you'll learn to recognize when you have the advantage over the dealer, determine the best ways to manage rules variations, and significantly increase your chances of winning all without counting cards.

"The Most Powerful Blackjack Manual is a "must read" for anyone seeking to make their fortune and have a really memorable time whether its a trip to Las Vegas or their nearest Indian Casino!"--Midwest Book About the Author
Jay Moore is a former teacher and architect with thirty years experience playing blackjack. He is the author of The Most Powerful Blackjack Manual and Blackjack Secrets. He lives in Toronto, Canada.
