## The NES Resellers' Guide to the Top 50 Selling Nintendo Games and How to Get Them: Plus 30 Trending Games:

The reseller market for Nintendo games is highly competitive, because of the potential for significant profit. This guide is designed to help you determine which titles are currently selling at significant prices and different ways you can acquire those games. Although the Nintendo has a vast library not all the games are worth very much money to resellers, in fact most are worth almost nothing. But, at any given time there are about 50 titles that are worth money .
