**From Hal Leonard : The New Illustrated Treasury of Disney Songs: Piano-Vocal-Guitar** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The New Illustrated Treasury of Disney Songs: Piano-Vocal-Guitar:

0 of 0 people found the following review helpful. AMAZING!!By SimrahI'm one of the biggest Disney fans you will ever meet. I bought this book because of how passionate I am about Disney and I definitely recommend it. The piano is for someone who has been playing for a long time and knows how to transpose the music according to how the singer may sing it. Otherwise a very fun book with interesting facts about Disney and loads of songs to choose from!4 of 5 people found the following review helpful. Good CollectionBy SongbirdWhen I was around 10 years old, I had a Disney songbook for piano. I managed to hang onto it until I was in my thirties. I teach piano, and I often used it for my students. However, it finally started falling apart despite all the tape holding it together. Recently, I began looking for a similar Disney song collection. I was happy to find this one. It has all the same Disney songs from my old book like "Who's Afraid of the Big Bad Wolf" and "Give a Little Whistle" along with many from the newer Disney movies like Beauty and the Beast, Mulan, and Tarzan. I'd say the piano difficulty level is aimed at an intermediate student and would be a bit too difficult for a beginner pianist. Truly, the only reason it didn't get 5 stars from me is the binding. My old book that lasted 25 years was hardcover and laid flat when you opened it. This paperback, tightly bound version does not stay open, in fact, it is hard to get open completely. I'm forced to make copies of the songs so that they will stay on the piano when playing. Other than that, I'm enjoying this Disney song collection so much like the one from my childhood.1 of 1 people found the following review helpful. Very Beautiful BookBy Tamara PozziI already had the original New Illustrated Treasury Of Disney, a blue hardcover. This new edition is equal to the original and I would suggest getting both books if you can. The older one has some great songs that the new one left out. This new edition is printed on high quality paper, and each song has a nice full color picture from the song's movie on the top corner of page. Wonderful selection includes songs from the newer movies, so this book brings me up to date. I am a piano teacher, and will be teaching this book to every student able to play the arrangements. Intermediate level. I took my book (shipped quickly by ) to a copier to have a spiral binding installed to allow book to lay flat. Cheerful, great music.

(Piano/Vocal/Guitar Songbook). This magnificent 6th edition coffee table collection is a Disney lover's dream come true! It is a guided tour through the many legendary years of Disney music, from "Minnie's Yoo Hoo" in 1930 up through "We're All in This Together" from High School Musical . The book begins with an extensive musical history of Disney, followed by beautiful piano/vocal arrangements of 68 Disney classics. Printed on deluxe stock with more than 100 stunning full-color illustrations accompanying the text and music, The Illustrated Treasury of Disney Songs is a keepsake to treasure for years to come! Songs include: The Bare Necessities \* Beauty and the Beast \* Breaking Free \* Circle of Life \* Go the Distance \* It's a Small World \* Look Through My Eyes \* Mickey Mouse March \* Reflection \* Some Day My Prince Will Come \* Under the Sea \* When You Wish upon a Star \* A Whole New World \* Winnie the Pooh \* You've Got a Friend in Me \* You Are the Music in Me \* Zip-A-Dee-Doo-Dah \* and more.
