Most paperback crossword books are difficult to keep open as you fill in the crosswords. These spiral-bound books, however, allow you to fold the book at the puzzle you're currently working on, and provide a relatively hard surface to write on as well. Plus, they are relatively slim, so they don't take up much space in a suitcase or carry-on bag. I recently purchased the New York Times little "black and white" crossword book - although the length and width are much smaller, the book itself is

thicker, so overall it's bulkier and less convenient to carry. I'll stick with the larger spiral-bound versions. 0 of 0 people found the following review helpful.
