From W W Norton Co Inc : The Norton Scores: A Study Anthology : Schubert to the Present before purchasing it in order to gage whether or not it would be worth my time, and all praised The Norton Scores: A Study Anthology : Schubert to the Present:

This superb anthology coordinates with The Norton Recordings (4- or 8-CD set) and provides scores for most of the works discussed in The Enjoyment of Music (Standard, Shorter, and Chronological versions). Orchestral scores and scores for instrumental chamber pieces are highlighted, enabling students to follow along after minimal instruction. Each score is accompanied by brief analytical commentary.

About the Author Kristine Forney is professor of music at California State University, Long Beach, where she regularly teaches music appreciation and music history to undergraduate students. Her understanding of today's students and her highly regarded teaching abilities make her the ideal author for this appreciation-level textbook. She is also a respected scholar who has written extensively on music of the Renaissance, and is a contributor to the New Grove Dictionary of Music and Musicians.
