Great for semi-beginners By SHavens My son had been playing the piano for a year or so and was bored with the typical learning stuff so his teacher said they could try this. It really rejuvenated his interest in the piano and made it fun to play. 1 of 1 people found the following review helpful. Excellent By Tanis Excellent

These exciting, easy arrangements of John Williams' motion picture score capture the sounds and characters from this thrilling movie. Muggles of all ages will want to play these memorable themes including: Hedwig's Theme \* Harry's Wondrous World \* Diagon Alley \* Hogwarts Forever! \* Quidditch \* Voldemort \* Nimbus 2000 \* Family Portrait. This great piano collection may be used just for fun or as supplementary study along with Level Three or Level Four piano methods.
